

LOCAL TOUCH.
GLOBAL REACH.
REAL VALUE.

At Contech, high quality and high quantity co-exist. Our experienced engineers, propriety machinery, quality management system and Class 8 clean rooms ensure that our clients are receiving the best product- every single time ■

CUSTOM COMPONENTS

Contech Medical Inc. can manufacture individual medical components on a custom basis through our contract manufacturing division. We can also supply customers with an array of existing components.

Our core product lines include:

- Clips
- Luers
- Connectors
- Wings
- J-Accessories
- UV and Solvent Bonding
- One Hand Single Feed
- Tubing

With a wide array of experience and existing components, Contech Medical is able to produce quickly, accurately, and at a large capacity. These designs and manufacturing procedures have been tested and approved- you have our guarantee ■

LOCAL TOUCH. GLOBAL REACH. REAL VALUE.

At Contech, we value personal service. We guarantee that when you call, a real person answers- and not just anyone. Members of our executive team are on hand, ready to take your calls, to find solutions for your needs.

Our network of suppliers, engineering experts, and manufacturing partners span nearly every time zone giving us the power and capability to dive into even the most custom of projects.

Our engineers' experience developing proprietary machinery and custom processes for a range of clients is exceptional. We value innovation as a way to consistently provide our clients with products and services for every custom need.
